“Our chapter of College Service Project hereby agrees to represent Appalachia Service Project to the best of our ability. We will carry out ASP’s Mission to inspire hope through volunteer home repair in our own community, and we will uphold the vision of eradicating substandard housing and transforming all who come in contact with our CSP Chapter. As representatives of ASP, we will follow the guiding principles outlined the organization as follows:

- We believe that each person is a child of God imbued with dignity and worth.
- We accept people right where they are and just the way they are.
- We believe that affordable, safe, sanitary housing is a basic human right.

- We believe God calls volunteers to serve others as partners in ministry and we will encourage their growth in faith, as they are involved in this service.
